## The 119th Annual Meeting of the Japanese Dermatological Association

▭ Lecture in English

**[DAY 1] June 4 (Thu.), 2020**

	Kyoto International Conference Center										Grand Prince Hotel Kyoto		Kyoto International Conference Center				
	Room 1 1F Main Hall	Room 2 1F Banquet Hall Sakura	Room 3 2F Room A	Room 4 2F Room B-1	Room 5 2F Room B-2	Room 6 1F Room D	Room 7 1F Room E	Room 8 1F Room C-1	Room 9 1F Room C-2	Room 10 1F Annex Hall 2	Room 11 B2F Prince Hall	Room 12 B2F Gold Room	Room 13 2F Room K	Award Posters	Digital Poster Viewing Room 1F New Hall		Corporate Exhibition 1 1F Event Hall Corporate Exhibition 2 1F Annex Hall
8:00																	8:00
9:00	Advanced Educational Lecture 1 『Guideline-based common wart treatment implementation series.』	Basic Educational Lecture 2 『Dermoscopy with consideration on form.』	Advanced Educational Lecture 3 『Inflammatory skin diseases and antibody preparation.』	Oral Session 1 『Bullosis.』	Oral Session 3 『Basic Research/Diagnostic/Therapeutic drug and Therapy.』	Oral Presentation in English 1 『Infectious Disease and Diagnosis.』	Let's Practice! Dermatopathology Dojo (Hands-On Practice) 『Panniculitis/Lymphoid tumors (1).』	Oral Session 5 『Skin ulcers and Pressure ulcers/Pigmentation disorders/Nevus and Phacomatosis/Dysplasia and Hereditary connective tissue disease.』	Advanced Educational Lecture 4 『Dermatomycosis: Up to date 2020.』	Advanced Educational Lecture 5 『Skin aging in seniors: From a basic to a clinical setting.』	Basic Educational Lecture 6 『New topics on clinical safety and infection strategies.』	Oral Session 7 『Nerve and Nervous system tumors/ Mesenchymal tumors/Lymphomas and Similar diseases.』	Let's Practice! Dermatologic Surgery (Hands-On Practice) 『Basic.』	Put up Posters			9:00
10:00				Oral Session 2 『Virus infectious/ Fungal infection/ Others.』	Oral Session 4 『Connective tissue diseases/Autoinflammatory disease.』	Oral Presentation in English 2 『Congenital Disease and Others.』	Oral Session 6 『Epithelial tumors.』				Oral Session 8 『Dermatitis/ Eczema.』						
11:00																	10:00
11:15		Luncheon Seminar 1 『Treatment strategies for itchiness: Urticaria and atopic dermatitis.』	Luncheon Seminar 2 『Psoriasis treatment from the perspective of evidence and in-use experience.』	Luncheon Seminar 3 『Bullous epidermolysis treatment using self-cultured epidermis.』	Luncheon Seminar 4 『Effective usage of IVIG in pemphigus therapy sites.』	Luncheon Seminar 5 『Versatility of direct IL-17A inhibition—realizing the full potential.』 Cosponsor : Novartis Pharma K.K. Medical Division/Maruho Co.,Ltd Medical Affairs Dept.	Only for preresistant	Luncheon Seminar 6 『Thinking about treatment for pattern hair loss.』	Luncheon Seminar 7 『Importance of early-stage diagnosis of Fabry's disease.』	Luncheon Seminar 8 『SCCA2: New biomarkers for atopic dermatitis in children.』							11:00
12:00																	11:15
12:15																	12:00
12:30																	12:15
13:00	Presidential Lecture 『Tsunagu - Connect.』																13:00
13:10	Master of Dermatology (Maruho) Award Ceremony and Lecture																13:10
13:30	Award Ceremony																13:30
14:00																	14:00
14:10		Advanced Educational Lecture 7 『The true nature of itchiness and its management.』	Update Educational Lecture 8 『Non-HIV-immune reconstitution inflammatory syndrome (IRIS) transmitted from dermatology.』	Oral Session 9 『Annexal disease/ Alopecia/Dyshidrosis.』	Oral Session 11 『Pustulosis/ Granulomatosis.』	Oral Presentation in English 3 『Autoimmune and Inflammatory Diseases.』	Let's Practice! Dermatopathology Dojo (Hands-On Practice) 『Spongiotic dermatitis/ psoriasisiform dermatitis (1).』	Oral Session 13 『Melanocytic tumors.』	Basic/Advanced Educational Lecture 9 『The formal creation of the "first" new Minds method-based guidelines by the Japanese Dermatological Association: Efforts by the vasculitis/angiopathy clinical guidelines revision committee.』	Advanced Educational Lecture 10 『Paridrosis essentials and clinical practice, which should be known by dermatologists.』	Advanced Educational Lecture 11 『Psoriatic arthritis: Update.』	Oral Session 15 『Dermatitis/ Eczema/Urticaria.』	Let's Practice! Dermatologic Surgery (Hands-On Practice) 『Advance.』	Poster Viewing			14:10
15:00	Special Program 1 『Dermatology that connects with the future.』			Oral Session 10 『Bacterial infection/ Systemic illness and Skin, Delmadrome.』	Oral Session 12 『Keratosis/Inflammatory keratosis.』	Oral Presentation in English 4 『Treatment and Dermatosurgery.』		Oral Session 14 『Epithelial tumors/ Melanocytic tumors.』				Oral Session 16 『Vasculitis, Vascular and Lymphatic disease/Drug eruption.』					
15:10																	15:10
16:00																	16:00
16:10																	16:10
16:20																	16:20
17:00						Lectures in English 1 『Advances of Dermatology in Asia-Oceania Area.』	Only for preresistant										17:00
17:50																	17:35
18:00	Interdisciplinary Special Lecture 1 『Connecting time and space: How to develop a force that communicates across generations and can create "the Hayabusa philosophy".』			Evening Seminar 1 『The forefront of cosmetic lasers in 2020.』	Evening Seminar 2 『Mastering the usage of drugs.』			Evening Seminar 3 『Is that so, atopic dermatitis.』	Evening Seminar 4 『Post-operative adjuvant melanoma therapy: Focusing on anti-PD-1 antibodies.』								17:50
18:20																	18:00
18:50																	18:30
19:00																	18:50
																	19:00

Level Basic: For doctor in training Advanced: For specialist and/or supervisor Update: Update outside your field (Brush-up program for supervisor)

The 119th Annual Meeting of the Japanese Dermatological Association

Lecture in English

**[DAY 2] June 5 (Fri.), 2020**

	Kyoto International Conference Center										Grand Prince Hotel Kyoto		Kyoto International Conference Center		
	Room 1 1F Main Hall	Room 2 1F Banquet Hall Sakura	Room 3 2F Room A	Room 4 2F Room B-1	Room 5 2F Room B-2	Room 6 1F Room D	Room 7 1F Room E	Room 8 1F Room C-1	Room 9 1F Room C-2	Room 10 1F Annex Hall 2	Room 11 B2F Prince Hall	Room 12 B2F Gold Room	Award Posters	Digital Poster Viewing Room 1F New Hall	Corporate Exhibition 1 1F Event Hall Corporate Exhibition 2 1F Annex Hall
7:30															
8:00			Representative Assembly												
8:30															
9:00															
9:10	Advanced/Update  Educational Lecture 12 『Recent topics in microbiomes and atopic dermatitis: Diagnosis, prevention, and treatment.』	Basic/Advanced  Educational Lecture 13 『Advice from nail disease experts.』	Update  Educational Lecture 14 『Collagen disease treatment: From symptoms seen in daily diagnosis to the latest information on treatment.』	Basic  Educational Lecture 15 『Granulomas: Ensure occasional study of non-infectious granulomas together.』	Advanced/Update  Educational Lecture 16 『New melanoma guidelines: A constantly changing standard treatment and the near future.』					Basic  Educational Lecture 18 『Questions that everybody has about Topical treatments.』	Advanced  Educational Lecture 19 『Skin disease pathology/ treatment and eosinophils.』	Advanced  Educational Lecture 20 『Better late than never: Basic knowledge on dermatological pathology diagnos- tics (inflammatory skin diseases).』			
10:00															
11:00															
11:10															
11:25	Special Invited Lecture 1 『Immune regulation of cancer, aging, nervous system and microbiome.』								Only for preresistant						
12:00															
12:25															
12:35															
13:00	Luncheon Seminar 9 『Latest findings in hereditary angioedema (HAE) diagnosis and treatment.』	Luncheon Seminar 10 『Cosmetic dermatol- ogy treatments started by dermatologists.』	Luncheon Seminar 11 『Psoriasis treatment updates for 2020.』	Luncheon Seminar 12 『Keloids and hypertrophic scars can be treated: Treatment implementation from the latest theories of scar formation and keloid constitution.』	Luncheon Seminar 13 『The role of derma- tologists in nodular sclerosis diagnosis and treatment.』	Luncheon Seminar 14 『Current Understand- ing in Pathogenesis of Atopic Dermatitis.』 Cosponsor : Sanofi K.K.	Luncheon Seminar 15 『The forefront of melanoma treatment.』	Luncheon Seminar 16 『What to do with infections that are difficult to treat in daily diagnosis?』	Luncheon Seminar 17 『The role of Herbal medicine in acne treatment.』	Luncheon Seminar 18 『What is rising in Psoriasis?』	Luncheon Seminar 19 『Plantar pustulosis diagnosis and pathology.』	Luncheon Seminar 20 『Updates in picosecond-laser treatment and the first nationally-recog- nized fractional RF.』			
13:35															
13:50															
14:00	Dohi Memorial Award Lecture 『Allergic contact dermatitis—a model for the Yin/Yang principle of cutaneous immune reactions.』														
14:25	Minami Seigo Award Lecture														
15:00	Award Ceremony														
15:25															
16:00	Special Invited Lecture 2 『Stephen I Katz Memorial Special Lectures.』														
16:55															
17:00	Commemorative Photo														
17:10															
17:20															
18:00		Evening Seminar 5 『Rethinking acute inflammatory acne treatment.』	Evening Seminar 6 『New stages for diffuse scleroderma treat- ment.』	Evening Seminar 7 『Inflammatory skin disease treatment strategies for improving patient QOL: Focusing on psoriasis and hidradenitis suppurativa.』	Evening Seminar 8 『BRAF-positive melanoma treatment strategies.』	Evening Seminar 9 『Meaning of Inhibiting TNF α and the Position- ing of Cimzia in Psoriasis.』 Cosponsor : UCB Japan Co. Ltd.	Evening Seminar 10 『Effectiveness of apremilast for oral ulcers due to Behcet's disease.』	Evening Seminar 11 『Best choices for onychomycosis treat- ment: Reviewing the significance of local drug treatment.』	Evening Seminar 12 『Seasonal stories that clinical dermatologists should know.』	Evening Seminar 13 『Latest topics in systemic lupus erythematosus treatment.』					
18:20															
18:30															
19:00															
19:10															
19:30															

Level Basic: For doctor in training Advanced: For specialist and/or supervisor Update: Update outside your field (Brush-up program for supervisor)

## The 119th Annual Meeting of the Japanese Dermatological Association

▭ Lecture in English

**[DAY 3] June 6 (Sat.), 2020**

	Kyoto International Conference Center										Grand Prince Hotel Kyoto		Kyoto International Conference Center				
	Room 1 1F Main Hall	Room 2 1F Banquet Hall Sakura	Room 3 2F Room A	Room 4 2F Room B-1	Room 5 2F Room B-2	Room 6 1F Room D	Room 7 1F Room E	Room 8 1F Room C-1	Room 9 1F Room C-2	Room 10 1F Annex Hall 2	Room 11 B2F Prince Hall	Room 12 B2F Gold Room	Room 13 2F Room K	1F Room 157	Award Posters	Digital Poster Viewing Room 1F New Hall	Corporate Exhibition 1 1F Event Hall
8:00		Morning Seminar 1 『Selection of safe therapeutic agents and guidance methods for appropriate use to protect against anaphylaxis.』	Morning Seminar 2 『"Bumpy bumpy scabies": Learning how to tackle scabies with a song.』	Morning Seminar 3 『Sweat and skin disease.』	Morning Seminar 4 『Learning skillful ways for dealing with ultraviolet rays.』			Morning Seminar 5 『Combined effects of retinoids and ascorbic acid derivatives.』	Morning Seminar 6 『Dermatomyositis: What have we learned from rashes, autoantibodies, and muscle pathology?』	Morning Seminar 7 『Optimal methotrexate usage for psoriasis treatment.』							
9:00																	
9:10	Advanced	Basic	Advanced		Basic/Advanced/Update		Advanced	Advanced/Update		Advanced	Basic/Advanced	Advanced					
10:00	Educational Lecture 21 『Cross-talks for nerves and immunity in the skin.』	Educational Lecture 22 『Specialist examination trends and strategies: Skin structure during inflammation—The Society for Skin Structure Research program.』	Educational Lecture 23 『How much have we elucidated the mechanisms for skin cancer generation!』	Sponsored Symposium 2 『Thinking about optimal acne treatment from diverse perspectives.』	Educational Lecture 24 『Let's learn more about pigmented macules!』	Lectures in English 2 『Cutting-edge in Dermatological Research.』	Special Program 2 『A joint program with the telemedicine working group and AI working group: Skin disease diagnosis using only clinical photographs (how many can you answer correctly?).』	Educational Lecture 25 『Latest topics in the footcare field.』		Educational Lecture 26 『Putting it into practice! Herpes virus infection diagnosis.』	Educational Lecture 27 『Worth knowing: The latest information on food allergies.』	Educational Lecture 28 『The current state of scleroderma treatment and new therapies for defeating it.』					Sponsored Hands on Seminar
11:00																	
11:10																	
11:25																	
12:00	Luncheon Seminar 21 『The skin tells.』	Luncheon Seminar 22 『Atopic dermatitis: Latest topics in pathogenesis mechanisms, and the effectiveness of active substances in hot spring water.』	Luncheon Seminar 23 『Basics of cosmetic dermatology—IPL and scanner-loaded CO <sub>2</sub> laser basics and application.』	Luncheon Seminar 24 『Guideline-based common wart treatments.』	Luncheon Seminar 25 『Novel developments with the light-emitting diode (LED): From hair to cosmetics.』	Interdisciplinary Special Lecture 2 『Know it! Beethoven No. 9 Symphony: The Vienna premiere and the Kyoto JDA meeting performance.』		Luncheon Seminar 26 『The latest skin beauty treatment strategies based on laser treatment.』	Luncheon Seminar 27 『What are the preferred local drug treatments?』	Luncheon Seminar 28 『The role of IL-4 and IL-13 in the pathology of atopic dermatitis.』	Luncheon Seminar 29 『Skin barrier functions and abnormalities: Gaining a deeper understanding of ceramides.』	Luncheon Seminar 30 『Drug therapy for progressive melanoma: Focusing on immunity checkpoint inhibitors.』					
12:25																	
12:35																	
13:00	Special Invited Symposium 『Symposium on the state of a near-future society achieved by scientific advances such as AI and big data (connecting with the future).』																
14:00																	
14:35																	
14:40																	
14:45																	
15:00			Advanced	Advanced/Update	Basic			Basic	Advanced	Basic	Advanced	Update	Basic				
16:00			Special Program 3 『Seeking to expand the dermatology fields, first seminar: Scleroderma.』	Educational Lecture 29 『Putting it into practice! Fungoid mycosis diagnosis and treatment.』	Educational Lecture 30 『Supervisor class "how a specialist should be".』	Lectures in English 3 『Editor's club.』	Let's Practice! Dermatopathology Dojo (Hands-On Practice) 『Panniculitis/lymphoid tumors (2).』	Educational Lecture 31 『Wounds, bedsores, and burns: Essential guideline knowledge for specialists.』	Educational Lecture 32 『Pigmentation disorders that are useful for daily diagnosis: Introductions to IPCC 2020.』	Educational Lecture 33 『Pathology and treatment of plantar pustulosis and hidradenitis suppurativa.』	Educational Lecture 34 『The diagnosis and treatment of severe drug eruptions.』	Educational Lecture 35 『Step up! Alopecia treatment.』	Educational Lecture 36 『Relaying career batons: The significance of the fundamentals and clinical research in dermatological treatment.』				
16:45																	
16:55																	
17:00			Evening Seminar 14 『Zooming in on the future of atopic dermatitis.』	Evening Seminar 15 『"Rethinking onychomycosis": Taking the opportunity for the first guideline revision in 10 years.』	Evening Seminar 16 『Cutaneous T-cell lymphoma.』	Meet the Editors Light snack and drink will be provided.	Only for preresistant	Evening Seminar 17 『Improving the skin, from the surface to the deep layer, using a device.』	Evening Seminar 18 『Skin diseases and IL-17.』	Evening Seminar 19 『Potential of internal psoriasis treatment: Things learned after 3 years of Otezla being on the market.』	Evening Seminar 20 『Learning more about ultraviolet ray therapy: Capabilities of excimer lasers and lights.』	Evening Seminar 21 『The role of molecularly targeted therapy in melanoma treatment and patient outlook.』					
17:50																	
17:55
